

Rödl & Partner

Rödl & Partner's success in the 16th Ranking of Tax Firms and Advisers by *Dziennik Gazeta Prawna*

Rödl & Partner Poland ranked 2nd among the largest tax firms in the large enterprise category in the 16th Ranking of Tax Firms and Advisers by *Dziennik Gazeta Prawna*. This confirms that our firm is continuously investing in the development of its employees and tax services.

Rödl & Partner's dynamic growth became apparent on the list of the biggest tax advisory firms in the category of large enterprises, that is, those hiring 10 or more qualified individuals, on which we ended up second. This means that our firm was just behind the Big Four. In terms of 2021 revenues, we were ranked 4th.

In addition, we scored high in categories without grouping – TOP 30:

- in terms of number of tax advisors – 6th place
- in terms of number of clients – 6th place

Dominika Tyczka-Szyda, tax adviser and Associate Partner at Rödl & Partner, was honoured as the 3rd best tax adviser on the list of TOP tax advisers on CIT.

And this is not the end of our success stories. As regards digitalisation of taxes, we were appreciated for our cross-selling tool and PIT calculator.

Katarzyna Judkowiak, Partner at Rödl & Partner responsible for tax advisory services believes that the stable position and the steady growth reflected in *Dziennik Gazeta Prawna's* ranking every year result from diligent and consistent work of all advisers who nurture relations with our clients. *Tax consulting is nowadays about complex and interdisciplinary issues which require extensive, up-to-date substantive knowledge in the ever changing world and legislative reality. Our experts are constantly raising their qualifications, improving business processes and searching for the best solutions. This is how we have created the cross-selling tool which meets our clients' needs providing them with comprehensive legal, tax and accounting support.*
